Hi Bill,

Thank you so much. I was able to download the material without any problems.

Will the government be filing a response to our Motion to Compel today? If so, do you mind providing us a courtesy copy by email today (if you plan to file under seal)?

Thank you!

Best,

Emily

Jon, Emily, and Jade,

I am writing to let you know that I uploaded some additional materials to the USAFx shared drive I set up for

this case. These materials include a report from the FLA that [REDACTED] and that the FBI received on or around October 25, 2019, as well as four non-contraband screen shots of that Tor site taken by law enforcement.

Please let me know if you have any trouble accessing the shared drive or these materials. I will prepare a Bates-stamped production of these materials to provide to you shortly.

Thanks,
Bill
